

Association of Mental Health in Education

Supporting, nurturing and growing the mental health in education community.

AMHIE Membership

About AMHIE

AMHIE started life as 'The National Network of Mental Health Leads' in 2021. Since then, the team have been developing our training, memberships and offers guided by our members.

By uniting professionals, organisations and educators, AMHIE will support, nurture and grow the mental health in education community.

AMHIE aims to support over half of all educational settings in the UK by 2027; encouraging networking, discussions and education around mental health.

Benefits of becoming part of the AMHIE Community:

- Know you are doing things right
- Stay up to date with expectations
- Feel supported
- Have somewhere to turn to for advice
- Remove some of the stress and burden
- Reduce your role isolation

AMHIE Membership

Membership to AMHIE supports you to develop your strategy and teamwork to unlock continued growth, improvement and engagement within your setting. Our tailored membership packages offer:

Certificate and badge to display at your setting, on your emails and your website to show the pupils, staff and parents your commitment to mental health.

Updates on sector news, research and our weekly blogs so you can keep up on policy and curriculum changes.

Access our support line and live support sessions to help you in your role.

Get discounts on training through AMHIE, to develop you and your team.

Join our community portal and have unlimited access to our free members, resources, webinars, partners and presentations.

AMHIE Training

Our training was developed by our experienced team; covering mental health in education in depth across all roles and phases. The easy access online videos and live courses are designed to support and grow your knowledge, boosting your confidence in post around your current role.

Mental Health Lead Training

Our mental health lead training; from Introduction all the way to Advanced with additional courses for supporting roles.

In Person and Online CPD

A range of regional events, free courses and shorter half day sessions designed to embed strategy.

Mentoring Training

Mentor training for Learning Mentors, teaching assistants, or those providing interventions from The Mentoring School

AMHIE T&C's

Which Membership is right for me?

If you want to join as an individual; we offer a student membership with a valid NUS card or individual membership which have fixed prices.

If you work in a school or educational setting; free membership or the level of educational membership which best reflects the size of your setting (we've put a guide on size for you!).

If you're an organisation, charity, CIC or business; if it's individual you want the clinician membership, if you are 2 or more you want our provider/supplier membership (we've put a guide up for you, just pick the level which best suits you).
